Allergies and special diets (if you have any queries please do not hesitate to ask)

Although we are pleased to offer a variety of gluten free options on our menu, the Cross Keys is not a gluten free restaurant and cannot absolutely ensure that cross contamination will never occur. We have processes in place to minimise that happening, but cross contamination could occur and so our restaurant is unable to guarantee that any item can be completely free of allergens.

If you require any further allergens information, please ask a team member.

With regards to allergies, we cannot guarantee against cross-contamination traces, our kitchen uses food products that contain or may contain the following ingredients: gluten-containing cereals, crustaceans, molluscs, fish, peanuts, lupin, tree nuts, soya, eggs, milk, celery, mustard, sesame, sulphur dioxide (sulphites)
